- "Rachael did a brilliant job at our Graduation Ball! The students really enjoyed the photobooth, it was one of the highlights of the evening. The print-outs made really nice keepsakes for everyone. Rachael has a lovely way with people, and the photo props really added to the fun of the experience. Highly Recommended!"*

- "Could not recommend Rachael enough. From start to finish she has been absolutely amazing. Her customer service skills and friendly, approachable personality made everything so simple and easy. Constant friendly communication and a personal touch, Rachael was an absolute pleasure to work with. We hired the Heart Selfie LED for our wedding and it was a great hit! So many great videos and pictures captured throughout the night. We will recommend Rachael and Hadwin Events to all our friends and family. Thank you so much Rachael. - *"We booked Hadwin's Selfie Photo Mirror soo last minute (a week prior to our party.) Nothing was to much trouble, communication was clear and booking was straight forward! We had an absolute ball with the photo's, we even had props to use for the photo's if we wanted! People loved the opportunity to have their photo's done and the fact they could have them sent directly to their phones. We got a copy of all the photos the next day which was great as we could print them out for our guest book from the party. Excellent service and would highly recommend them"*

- *We hired the Selfie Mirror and Sweet Ferris wheel for our wedding in October and it was one of the best things we did for the big day - would 100% recommend! Rachael was so lovely in helping us get everything set-up, and let us have the Selfie Mirror all day. It was also really popular with the kids - kept them entertained for hours! There are going to be some fantastic shots to include when some of them turn 18 😊 I love looking back over all the photo's, there are definitely some memorable one's in the 460+ we've had back. If you're planning a wedding - please, please include one of Rachael's photo opportunities, it will provide you with so many memories and you're guests will love it!*
